STATEMENT OF UNINTENTIONAL DELAY

The Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

The Applicant has received the Notice of Abandonment mailed June 12, 2006.

The Applicant submits that, due to a clerical error, the Applicant incorrectly entered the shortened statutory period for reply to the Office Action mailed October 14, 2005 ('Restriction Requirement') in the Applicant's database as being January 14, 2006, being three (3) months, rather than the correct date of November 14, 2005, being one (1) month. Accordingly, the Applicant submitted a Reply on January 12, 2006 ('Reply to Restriction Requirement') which the Applicant believed was timely filed.

Therefore, when the Notice Requiring Extension of Time Fee mailed January 18, 2006 ('Extension Notice') was received by the Applicant, the Applicant believed from the Applicant's database that the extension of time was not necessary and accordingly submitted a Reply on February 3, 2006 ('Reply to Extension Notice') stating this belief. In order to ensure expeditious prosecution of this application, the Applicant however enclosed a credit card payment form for one (1) month's extension of time fee with the Reply to Extension Notice based on the presumption that the Extension Notice incorrectly purported that the Reply to Restriction Requirement was filed after a three (3) month shortened statutory period.

The Applicant is now aware of these errors and wishes to revive this application.

Thus, the Applicant now submits the required extension of time request and two (2) month's extension of time fee, and respectfully requests that the petition to reinstate the prosecution of this application be granted.

A check is attached to cover the petition and the two (2) month's extension of time fee amounting to \$1,950.00.

.....  
Kia Silverbrook
